FRANCOIS
Cyril

DATA & AI TECH DIRECTOR

11 years of experience
Orchestrated teams up to 80 people
Designing 1500K€ data & IT projects
Passionate by GenAIs and the environment

As a Data & AI Technical Director, I bridge business needs with technical execution, translating strategic objectives into scalable data and AI solutions. I bring end-to-end expertise across the data value chain, from engineering and science to analytics, and ensure teams are aligned with clear, value-driven roadmaps.
